

April 27, 2022

Dear Members,

Our Annual General Meeting (AGM) was hosted on Tuesday, April 26th.

Our course opening is slightly delayed but we are still hopeful for May 7 as the official start. The driving range will open on April 28th, tokens available at the clubhouse. Hours at the clubhouse maybe limited until we fully open so pick up your tokens during the day. The Board has approved an increase in Membership fees and has reinstated the Pro Shop Credit. The new fee rate is indicated in the registration form. The Mandatory Pro Shop credit is applicable to adult golfers only. It will be \$100.00 for the Primary Member and an additional \$50.00 for the Secondary Adult Member. The credit will be applicable to all purchases in the clubhouse. Please remember that members receive a 10% reduction on purchases in the clubhouse (some exceptions applicable).

Attached below is copy of our membership price list and the registration form. Please ensure your correct contact is provided including email address for distribution of SLGC information.

Hope you have a great golf season!
